Hi Tomas and Marianne.

As you may know, several environmental and environmental justice groups petitioned the Administrator regarding Suncor's Title V permit (see attached). This o&g refinery is in North Denver/Commerce City, which is an area with significant environmental justice concerns. After discussions with OAR, Region 8 objected to Suncor's Title V permit earlier this year. Colorado Department of Public Health (CDPHE) has now resolved the issue that was the basis for our objection, although you may recall there were several additional issues we raised in our objection in "Attachment B" which have not been addressed.

## Ex. 5 Deliberative Process (DP)

I'm wondering if we should have a meeting with you, me, Marianne, and anyone else you think appropriate (Melissa?) to
